CAPTAIN CANOT, A UTHOR OF THE GREAT BOOK JUST BE-IN 3 PUBLISHED, SPEAKS OF HAMPTON'S

GREAT CURE OF RURUMATISM CONTRACTED UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854. Mr. Stockbridge, of the Pountain Hotel, Light street,

Dear Sir : Being on the point of leaving the city, I avail myself of a few idle moments to thank you kindly for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to eend me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vegetable Tincture my confidence is so strong that, in gratitude to the proprietors of eald medicine, I beg you to present my respects to them, and induce them to make it more publicly known as a sure Rheumatic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, useless in all my limbs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had It not been for your strong and forcible recommends.

tions I should still have been in bed. It is really a pity this specific should not be spproved by medical men, and like all patent drugs it should saffer the imputation the public generally give to such preparations. I myself, who was always opposed to a patented specific, took this medicine with reluctance, and without confidence in it, and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really boneficial Vegetable

You may inform Massrs. Mortimer & Mowbray that they are at liberty to make use of my name in the support of the good effects of Dr. Hampton's Vegetable Tincture, as it has cured me in five weeks ! of a chronic inflammatory Rheumatism, contracted under tropical climates, and of soven years' periodical duration. I have only used three bottles, and find that even the deformed parts of my hands are fast esturning o their former natural appearance

I have been under the treatment of goveral phy-Siciens in London and Paris, without any apparent benefit; also, while in New York, having tried the Phompsonian and Homospathic remedies, after having been tormented with galvaric batteries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so far, cured by this Hampton's Vege able Tincture only. Therefore, my sear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CAROZ.

REV. VERNON HERRIDGE, U. S. N. PORTEHOUTE, VA., Aug. 18, 1861. Mr. J. B. Boush - year sir: While I am, in gene-

ral, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, diszinces, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. lam, respectfully, yours,

VERNON ESSEIDOR, Chaplain, United States Navy.
